**IMPORTANT NOTES & EXPECTATIONS OF THIS SERVICE**

All services supplied are 3 months minimum term  
 An additional 8 or 16 IP addresses are available as an option on the Network service only.  
 All products are subject to our Acceptable Usage Policy (AUP) - see [www.broadbandfirst.co.uk/aup](http://www.broadbandfirst.co.uk/aup)  
 The products deliver the maximum upload/download speeds that the line can support up to that quoted.  
 Customers need to be aware that ADSL2+ speeds are particularly sensitive to distance from the exchange and the quality of the line.  
 The availability checker is only a guide to speed as it cannot verify line quality - orders cannot be cancelled due to slower than expected speeds.  
 We reserve the right to amend your pricing to the correct volume tier if volume drops under the tier by 5% or more.  
**All prices ex VAT.**
